

DISCOVER

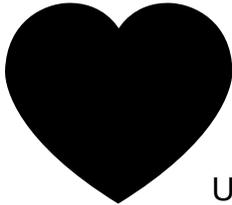

(Head)

Here are some thoughts/options when engaging the “Discover” time of our DNA gathering.

1. Take the time to prayerfully read through the selected text a few times before you gather and make personal notes of impactful truths.
2. Walk through a passage of Scripture using the 4 Questions when you gather:

<u>Who is God?</u>	->	<u>What has He done?</u>	->	<u>Who am I?</u>	->	<u>How am I living?</u>
What is He like		Think of Jesus’ life life, death, resurrection		Because of Jesus		How am I living this truth out

NURTURE

(Heart)

Repenting and believing in the Gospel is the goal of nurture. Each time we get together we will want to discuss real life struggles and how Jesus is the answer. We seek to partner with the Holy Spirit by understanding the fruit and moving to the root of each other’s sin.

Using the four questions above in reverse is a great way to do this:

<u>Who is God?</u>	<-	<u>What has He done?</u>	<-	<u>Who am I?</u>	<-	<u>How am I living?</u>
What are you believing about God		Confess what you did and what it says concerning your belief in what God has done for you		In your sin, what were you thinking about yourself		Confess what happened. How did I sin

After confession we repent. To repent means to turn from what we were doing and trust what we know is true of God.

ACT

(Hands)

James 1:22 tells us that we are to be “doers of the word and not hearers only.” There is action leading to fruit with repentance. Here we *listen* and *obey*. Some helpful suggestions here:

1. *Ask*: Are there any acts of obedience or practices of faith the Spirit is leading you/us to? (Seek or ask forgiveness, fast, sabbath, make a budget, etc)
2. *Ask*: Is there someone you could show or share the Good News with?
3. *Pray*. Take time to pray with one another for the upcoming week.
4. As the Spirit leads, connect via text or phone with each other this week
